"Ghaleb Al Sarraj

He has more than 34 years ' experience in the construction industry in the Middle East in role of founder, owner and managing director of various contracting companies which have demonstrated phenomenal growth and profitability.

His responsibilities include directing and managing the day - to - day activities of the companies and ensuring profitability and client / customer satisfaction Exposure include buildings construction, infrastructure and roads experience.

Total value of projects handled to date is around 2.7 billion dirhams. His aim is to have **Al Serh Al Kabeer** Construction Company the best company in UAE in terms of quality and client satisfaction."

Chairman Brief

About us

"**Al Serh Al Kabeer** Construction Company L.L.C. was established in 2006 in Sharjah, United Arab Emirates and currently operates in two interlinked sectors, construction services and property development with expanding offices to cover Dubai, Sharjah, Ajman, Ras Al Khaima, Abu Dhabi, and Kingdom of Saudi Arabia.

Led by its founder chairman and company owner, **Mr. Ghaleb Al Sarraj**, the business has grown strongly over the last six years to cover building and infrastructure construction.

Al Serh Al Kabeer Construction Company L.L.C. comprises of well experienced and highly qualified staff with many years of local and international exposure and involvement in the contracting business who are firmly committed to exert all means and resources in order to fulfill the company's vision to excel as leader and be a credible contractor in the Middle East's construction industry. "

Al Serh Al Kabeer Construction Company has experience in all Construction disciplines like Towers, Residential Buildings, offices Buildings, Hotels, Hotel Apartments, Malls, Schools, Hospitals and Medical Centers, Warehouse, Sheds, Showrooms, Factories, Villas and Mosques.

Our Vision

Al - Serh Al - Kabeer Company aims to deliver exceptional value through sustainable solutions in order to create, manage and invest in property asset.

-Our vision is to be the company of first choice for all whether they are clients, employees, suppliers, subcontractors or the community in which we live. We will consolidate our reputation for providing a quality product, on time and at a competitive price.

Our Mission

To execute the projects within time, reasonable budget and to build a reputation of integrity, excellence and experience as one of the most reliable building contracting company in the UAE, by continuously improving the quality of our services and works and exceeding each client's expectations and providing our people with challenging, secure and safe environment where they can achieve their personal career goals.

Our Values

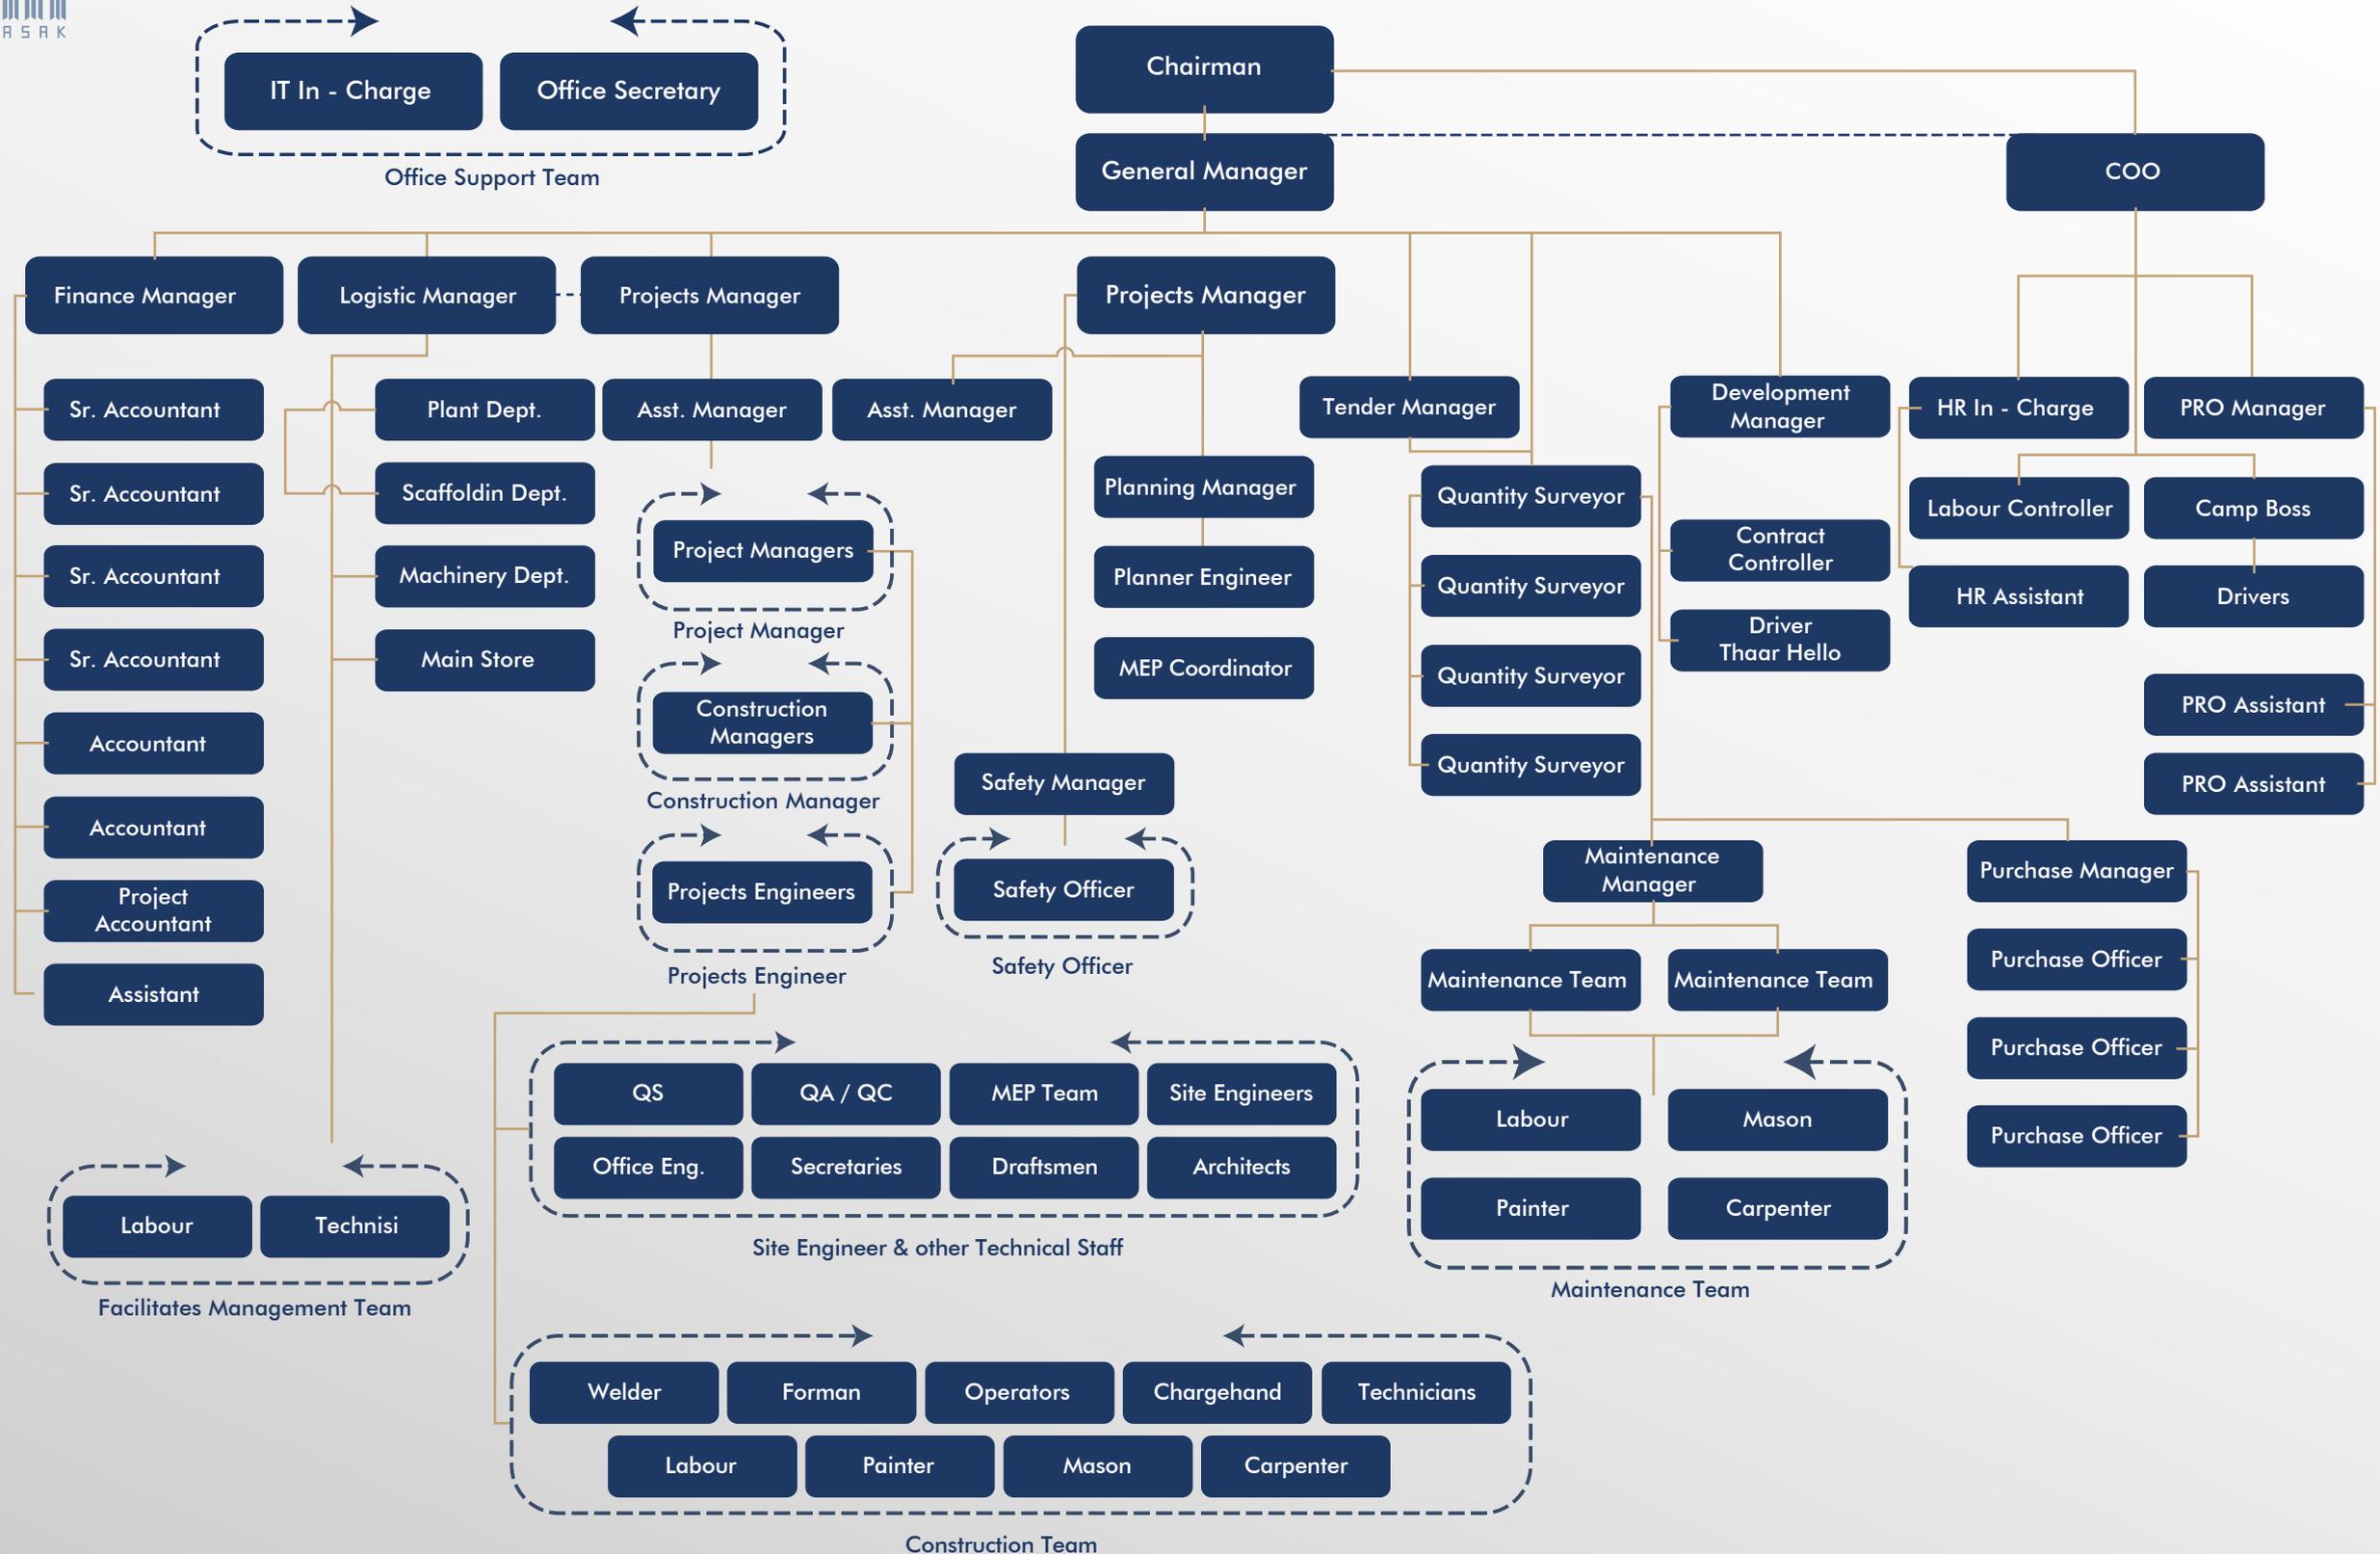

To further develop our corporate strengths, we have established a corporate mandate to maintain strong core values that truly reflect the company's philosophy. Having stood the test of time, transparency and good corporate governance remain our top agenda as the principle supporting this philosophy are permanently ingrained in Our corporate values.

Quality

The quality is a fundamental Al Serh Al Kabeer Company value. We believe that compliant quality assurance systems not only increase client satisfaction but enhance the company's long-term productivity and competitiveness.

We strive to consistently deliver quality products relating to the company's activities, whilst meeting established quality regulations as well as client expectations in terms of time, cost and quality.

By implementing quality systems, quality management and active benchmarking, we are creating a quality culture focused on continuous improvement and the goal of zero defects.

Organization Chart

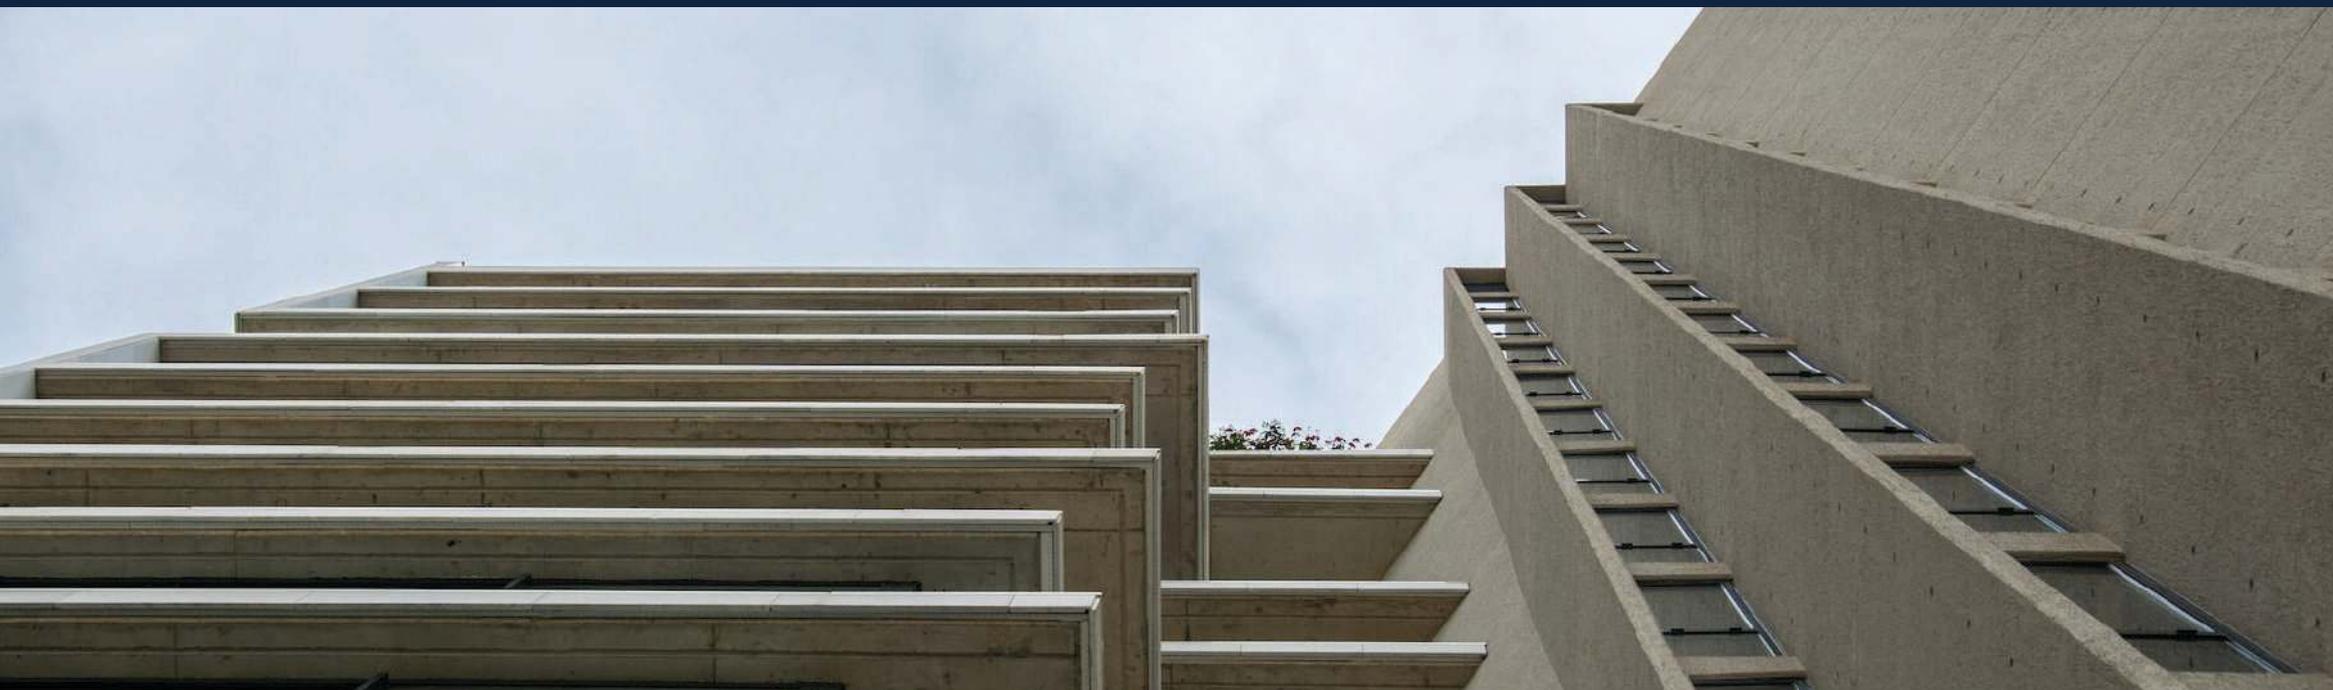

Quality Assurance & Quality Control

The objective of Quality Assurance and Quality Control function is to establish, implement and control all plans and programs required to meet the quality standards established by the contract. Quality Assurance is an all - inclusive term that embraces all the methods used to gurantee quality, and includes quality control and acceptance. Within this framework, quality assurance comprises of implementing the quality standards, appraising conformance to these standards, acting upon deviations from standards and intituting corrective measures to achieve these standards.

Al - Serh Al - Kabeer management retains executive responsibility for quality requirements. **Al - Serh Al - Kabeer** is committed to quality, and their primary objective is to ensure that the work associated with the Project meets quality requirements of the highest level as disctated by the Contract.

We believe that quality must be planned and intentionally foused upon from project conception through the warranty period. Quality assurance must be embodied in a clearly defined program, organized so that responsibility and accountability are established from the senior levels of management to the tradesmen on site.

Our quality policy is relevent to our organization goals and expectations, as well as to the needs of the Client.

We **Al - Serh Al - Kabeer** management, ensure that our policy is understood and maintained at all levels of our organization.

Each Al - Serh All - Kabeer employee understands and is dedicated to meeting these goals.

Compliance with the Project Quality Assurance and Quality Control Requirements and implementing the **Al - Serh Al - Kabeer** project proceduress is madatory for all **Al- Serh Al-Kabeer** personnel performing activities significant to the Project and its objectives.

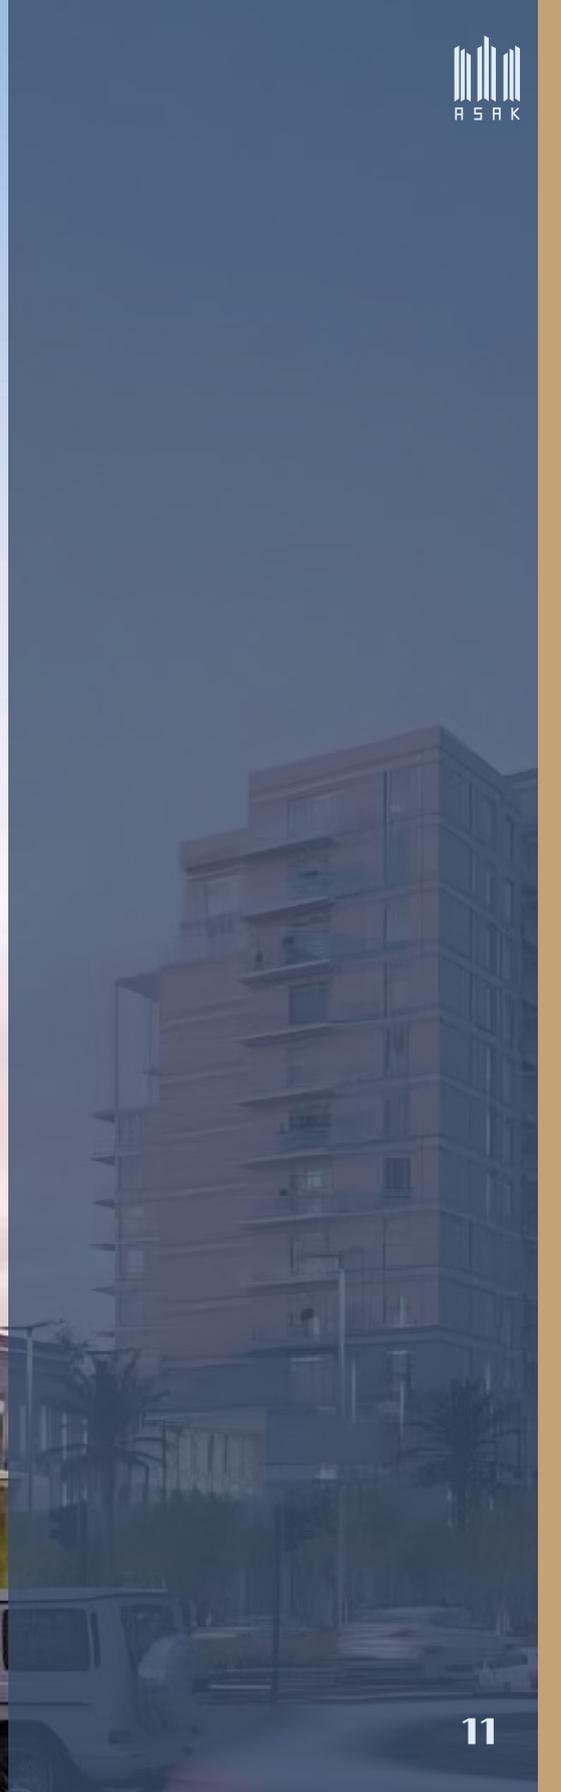

Human Resources Department

As one of the fast - growing building contracting companies in the UAE, AL Serh Al Kabeer is committed in selecting the top and most qualified engineers, managers, and staff.

The Human Resources Department of AL Serh Al Kabeer aims to ensure that the best candidate is selected for the job regardless of age, color, creed, marital status, religion etc.

To achieve this objective, it is essential that all those concerned with the recruitment and selection procedures have a clear understanding of the job to be filled, its requirements and the characteristics of the likely job holder in terms of skills, qualifications, previous experience ... etc.

Health, Safety & Environmental Policy

HSE POLICY

Al Serh Al Kabeer Construction is committed to the effective stewardship of the environment and maintaining a climate of safety awareness by implementing an efficient Health, Safety and Environmental management system that leads to the continual improvement in our HSE performance.

To achieve the objectives of Al Serh Health, Safety and Environmental Policy, the top management is committed to:

- ——— Keep abreast of best practices in HSE management and ensure compliances with applicable legal and other requirements as a minimum standard of performance.
- ——— Foster a positive culture towards leading HSE practices through commitment and accountability of employer and employees.
- ——— Provide adequate and appropriate resources to implement the HSE Policy with aim to eliminate the causes of accidents from our workplace.
- ——— Apply the principle of sustainable development and use risk based approach in planning and operation of our projects by seeking ways to eliminate accidents, injury and illnesses, reduce the use of energy and minimize material wastage to prevent pollution during project operations.
- ——— Ensure that employees and sub-contractors have received appropriate training and are competent to carry out their duties and responsibilities.
- ——— Consult and involve employees, sub-contractors and suppliers to secure their commitment to the policy and its implementation.
- ——— The policy and Al Serh performance under the policy will be reviewed annually as part of the management review to ensure continual improvement of HSE standards.
